

The Aesthetic Pre-Course to master the last most efficient techniques for FACE & BODY presented by International experts

Presentation of the Course:

- The purpose of this course is to provide to the medical doctor willing to **INTRODUCE** or **IMPROVE** the presented techniques in his practice, to obtain a very high level training, presented by **renowned International experts** in each field.
- You will have, for each topic a scientific presentation followed by "Live" demonstration, in view to see with precision the techniques presented.
- Each presentation and demonstration will be concluded by a "Questions and Answers" session to allow each participant to go further in the comprehension of the techniques shown.
- You will receive the "Course Book" with all the presentations proposed, as a personal complementary support to your training.
- During this 2-Day Course you will have the necessary **TIME** to really learn and **IMPROVE** these techniques.
- The **DEMONSTRATIONS** will be made **LIVE** (on site or from a medical office) with patients, adapted material and products.

Presentation du cours :

- L'objet de ce cours est de proposer au médecin qui souhaite **INTEGRER** ou **PARFAIRE** les techniques présentées dans sa pratique, d'obtenir un haut niveau de formation, présenté par des **experts internationaux** de renom, dans chaque domaine.
- Vous aurez pour chaque sujet une présentation scientifique suivie par des démonstrations "En Direct" sur des patients, qui vous permettront de voir avec précision les techniques proposées.
- Chaque présentation et démonstration sera suivie d'une session "Questions/Réponses" afin de permettre à chaque participant de parfaire au mieux sa compréhension des techniques.
- Vous recevrez le livre du cours, reprenant tous les exposés, en soutien complémentaire à votre formation.
- Durant ces cours de 2 jours, vous aurez le **TEMPS** nécessaire pour réellement apprendre et **PERFECTIONNER** ces techniques

OCTOBER 11 - BODY Course - Fat, Lipolysis

LAST non-invasive techniques for Body contour treatments

Lipolysis

Claudia I. M. van der LUGT, MD - Aesthetic Doctor - **Meijel, The Netherlands**
 Obtained her Medical degree at the University of Groningen in 1991.
 Specialised in the Laser technique and other non-invasive treatments she started her own private clinic "Alizonne", preventive and cosmetic medicine, in Meijel, the Netherlands in 1997.
 As the demand for weight reduction and body contour treatments grew very high, it was challenging to develop a non-invasive method to attack this problem.
 Since 2003 she is specialised in the injection-lipolysis treatment resulting in a position as trainer and member of the Medical Board of the Network-lipolysis ISL.
Member: ESLAS (European Society Laser Aesthetic Surgery), AECS (Association European Cosmetic Surgery) NVCG (Dutch Society for Cosmetic Medicine) and AAMS (Anti-Aging Medical Specialisation).

Mesotherapy

Philippe PETIT, MD - Mesotherapist - **Bordeaux, France**
 Dr Philippe PETIT is an authority in Mesotherapy for years, he was President of the first founded French Society of Mesotherapy, and he is now the President of the International Society of Mesotherapy (SIMeso).
 Dr Philippe PETIT has created the first diploma of Mesotherapy at Bordeaux University and animated the Circle of Study and Research in Mesotherapy of Aquitaine (CERM).
 He trained many doctors in the world in mesotherapy, and was one of the former practitioners to introduce Mesotherapy for Aesthetic procedures.

CarboxyTherapy

Gustavo LEIBASCHOFF, MD - Aesthetic Doctor - **Buenos Aires, Argentina**
 Medical degree and OBGYN residency at the Buenos Aires University in Argentina, 1972.
 Established since 2002 in Dallas Texas.
 President of the International Union of Lipoplasty - IUL - Chairman International Academy in Aesthetic Medicine and Pathology - IAAMP - Director of the International School of Mesotherapy (ISM)
Member: Founding member and first President of the Argentina Association of Aesthetic Medicine (1986). Directed the first course in Aesthetic Medicine in the School of Medicine in the University of Buenos Aires (1990). Chairman of the International School of Mesotherapy ISM.
 President of the International Union of Lipoplasty. International Member of the American Academy of Cosmetic Surgery, Honor Member of the Australasian College of Cosmetic Surgery - Honor Member of the French Society of Aesthetic Surgery...
Lecturer: Organizes courses on Liposuction (Lipoplasty) and Aesthetic Medicine procedures around the world.
 Published in March 2006 a reference book in USA about Cellulite.

Fillers

Pierre ANDRE, MD - Dermatologist - **Paris, France**
 Past Clinical Professor, department of skin surgery, Henri Mondor Hospital - Creteil, France.
Member and Lecturer: French society of Dermatology - College of Dermatologic Surgery - American Academy of Dermatology (AAD) - Society for Investigative Dermatology (SID) - International Society for Dermatologic Surgery (ISDS) - European Academy of Dermatology & Venerology (EADV) - Honorary member of the European Society for Laser in Dermatology (ESLD).
Founder and Past President of the European Society for Aesthetic & Cosmetic dermatology (ESCAD).
 Author of more than 60 scientific publications and books chapters.
 Scientific director of several cosmetic dermatological meetings.
 Serves on the editorial board of the Journal of Cosmetic Dermatology.

Botulinum Toxin

Phillip LEVY, MD - Dermatologist - **Geneva, Switzerland**
 Graduated in Anthropology in 1974 in Montreal - Licensed in both Internal Medicine and Dermatology in both the USA and Switzerland.
 Pioneer in Esthetic Dermatology, having introduced Botulinum Toxin in his private practice in 1995.
Member and Lecturer: American Academy of Dermatology - European Academy of Dermatology - World Congress of Dermatology - Invited Faculty at the University of San Francisco and University of Paris for Minimally Invasive Esthetic Surgery Courses. Faculty for the French Diplôme Universitaire' for Esthetic Dermatology
 Author of many scientific articles and book chapters on dermatology and esthetic subjects, and has been featured on many TV programs as well as in many newspaper and magazine articles. He is currently Editor of the series entitled "Expert Approaches to Using Botulinum Toxins".

Chemical Peels

Sohail MANSOOR, MD - Dermatologist - **London, United Kingdom**
 Qualified in Medicine in 1989 - Received training in Dermatology and Dermatologic Surgery.
Member and certified: MBBS, DTM, DRCP, Derm, MSc, Derm, FAAD, FASDS, ABAAM.
 Is one of new generation of Specialists practising holistic approach in combining Cosmetic Surgery and Anti-Aging Medicine to enhance the quality and quantity of life.
 Certified in both European and American Boards in Anti-Aging Medicine.
 Dermatologist and a Lead Dermatologic Surgeon in an associated university hospital in London and practising cosmetic surgery and anti-aging medicine in his private practices in Harley Street, Amersham and BUPA Hospitals. His interest lies in Facial Rejuvenation and Hormone correction and has lectured extensively in both professional and public settings.

Susp.Threads

Marlen SULAMANIDZE, MD - Plastic surgeon - **Moscow, Russia**
 Dr Sulamanidze is the former inventor of the concept of suspension with threads in aesthetic application and is the developer of the APTOS Threads.
 He trained thousands of practitioners all over the world in many seminars and congresses.
 He created a course on threads and continuously developed the technique and the material to use.
 He has been a lecturer in almost all the major congresses in Aesthetic Medicine and Surgery.
 During this course Dr Sulamanidze will present new techniques and products for the Threads procedures.
